Dear Swimmer

ANNUAL MEMBERSHIP 1st APRIL 2010 – 31ST MARCH 2011

Following the Club's recently held AGM; the Annual Memberships are now due.

For your information Scottish Swimming requires that every Master Swimmer must, for the purpose of insurance etc, register with that Organisation as the recognised Body for swimming in Scotland.

Taking this into consideration I have to advise you that your Membership Fee for 2010/11, incorporating both the Scottish Registration and a Club administration fee of £10.00, will be £40.25.

In order to ensure the continuity of the insurance coverage with Scottish Swimming it is essential that you forward a cheque for the amount shown and made out to Inverclyde Masters and returned by no later than Saturday 10th April 2010 to either Joseph Phillips or Gerard Malone.

Please note that following a decision at the Club's AGM it was also agreed that the annual training fee will be £270.00 and that this fee will be payable at £22.50 per calendar month on a monthly basis by standing order. It would therefore be appreciated, if you could confirm to Gerard Malone that you have made the appropriate arrangements with your Bank / Building Society.

In order to make the necessary adjustment to your present monthly payment I have attached a copy of the Club's Standing Order Mandate form.

Your co-operation on these matters would be very much appreciated.

Yours sincerely

DONALD MUIRHEAD
